 Narrative: Air North flight #305 reported 2 fires 20 miles northeast of Chalkyitsik. Smokejumpers were requested to respond. The jumpers found fire 478, then headed to a second smoke that turned out to be the northeast corner of fire 210. A false alarm number was requested for 477.

 #478 Name: **Salmon Fork** Cause: Lightning Admin:  
 Narrative: Air North flight #305 reported the fire 37 miles northeast of Chalkyitsik, south of the Salmon Fork of the Black River. The size-up was vague because the fire was 20 miles from the aircraft so a smokejumper aircraft was requested to patrol the area. Smokejumper aircraft J-57 reported the fire at 400 acres, 50% active in black spruce and hardwoods with a 15 mph northeast wind. There were 2 permitted cabins in the area and the Yukon Flats National Wildlife Service gave permission for cabin protection. Four smokejumpers were deployed at each cabin. The jumpers took cabin protection measures by cutting in a saw line, brushing out, and set up sprinkler kits. 8 Smokejumpers assigned.

 Narrative: Fire was reported by land owner and also a private aircraft. Land owner's out building was on fire and it spotted into the wildlands, torching 1 tree and partially burning another. Fire was caused by a propane refrigerator catching fire in the out building. Helitack responded, suppressed fire, and turned it over to the land owner upon departure at 1846.

 #452 Name: **Boundary Creek** Cause: Lightning Admin: Doyon

Narrative: Additional drying may increase fire activity tomorrow with winds out of the northeast. The fire could push toward the Taylor Highway with several structures threatened. The uncontrolled fire edge will be difficult to secure without burning out the drainage to the constructed ridge fire line. Favorable weather conditions will be necessary to conduct burnout operations to secure the northwest flank the fire. Line burnout may begin tomorrow, weather permitting. Crews continue to prepare for planned burnout operations. Most of the hoselay to support burnout is in place. 2,000 acres are on Canadian ownership. 296 personnel assigned.
